50X1

1. In a telephone conversation between General Carter and Secretary Vance on 16 February, Mr. Vance said that he was approving a recommendation made by DNRO and that funding [redacted] will be made available for FULCRUM.

50X1

2. General Carter alerted Mr. Vance to the need to have DOD and CIA on even footing prior to discussions of NRO budget matters before Congressional committees in order to avoid any embarrassment to the Administration. Mr. Vance said he agreed with this, that we would want to make sure that this was on the tracks, and he said that he wanted to dig into this subject in detail himself.
